Dear Ms. Poprilo,

Immunization Review # 3 for Student [REDACTED]

Dr. Bouboulis returned my calls today. We reviewed this case and discussed the prior reaction to H1N1. [REDACTED] has had other immunizations. Dr. Bouboulis could not argue against vaccinating [REDACTED] with Tdap or Menactra.

I cannot recommend approval off this Exemption.

Sincerely,

Dr. Jack Geffken, School Physician
